(Pending approval of gym use).

SCHOOL BOARD APPRECIATION – Thank you to our elected School Board members. January is the month to reach out and say thank you to our Centerville School Board members who volunteer and donate their time; Jess Kayser, Carole Garner, Nancy Sizemore, John Rolfe, and Eric Olson are our current board members that guide policy and give guidance to the Secretary of the Board. Thank you for your time and energy that you spend to ensure our District stays Centerville Strong.

LIMITED GYM USE – At this time, the Centerville gym will have limited use. With the added snow load, we are taking extra precautions to keep all staff and students safe. As soon as the snow load lessens, we will be back in the gym.

JANUARY AWARDS ASSEMBLY – The January Awards Assembly will be postponed until the gym is able to be used fully. Please stay tuned for a date in the near future.
