FAMILY INFORMATION NEWSLETTER

February 20, 2024

THANK YOU FOR YOUR SUPPORTIVE VOTE! – The two-year Educational Programs & Operations Levy passed. This replacement levy will continue to fund programs, services, and staff that are unfunded or underfunded by the state. Centerville School staff, students and community appreciate the vote of support and confidence. Join the School Board at their meetings every 4th Tuesday of the month to ask about school policy and budgets and how the levy dollars are allocated. Stay informed! Stay involved!

100th DAY – TODAY -The 100th Day of school is special for many students, especially our younger learners. Look for fun activities coming your way from the celebrations today!

GYMNASTICS PERFORMANCE – The Upper Columbia Academy Gymnastics Team will have a free performance in the gym Saturday, Feb. 24 at 7:00 PM. This traveling gymnastics group performs around the state and beyond, sharing their skills and passion for dance. Come and see this free performance.

STATE ASSESSMENTS – Have you prepared your child to put their best foot forward? Have you discussed perseverance and stamina? Our students need family support to perform their best on the rigorous state assessments that are used to evaluate Centerville School's performance. Students will begin practicing within their classrooms soon. Ask your child about their preparations and pending May assessments.

SCHOOL LUNCH ACCOUNTS – Did you know you can check your child's meal account online? Under the Parents section on our website, you will find the Family Access to Skyward. If you need help logging in, please contact Mrs. Musser. There is opportunity for families to receive free or reduced priced lunches if qualified. If you have questions about qualifications, we have support from Mrs. Dove, Mrs. Sizemore, and Mrs. Musser.
